

**74th Annual Clinical Congress
December 2-5, 2018
Edsa Shangri-la Hotel
Mandaluyong City**

Theme: **"RESOLVING CONFLICTS IN SURGERY: FROM THE BASIC TO THE COMPLEX"**

General Objective: After the congress, the participants should be able to identify and resolve conflicts in surgical practice

- Specific Objectives:
- a) To determine issues and conflicts regarding treatment of surgical diseases and to use sound judgment, backed by evidence, to resolve these conflicts
 - b) To resolve conflicts between the more traditional approach versus the newer techniques in addressing the surgical patient
 - c) To determine and resolve issues and conflicts on matters regarding patient care, healthcare workplace and surgical training
