

**73<sup>rd</sup> Annual Clinical Congress  
December 3-6, 2017  
EDSA Shangrila Hotel  
Mandaluyong City**

Theme: **"EXCELLENCE IN SURGERY: STANDARDS, PRACTICES AND TRENDS"**

General Objective: At the end of the convention, the participant will be able to apply the newest standards, trends and practices in his respective field to achieve surgical excellence.

Specific Objectives:

- a) To apply the newest standards, trends and practice in each of the surgical specialties to provide patient-centered value-based surgical care for better outcomes and cost effectiveness.
- b) To apply appropriate non-technical skills like leadership, communication, empathy and social awareness to achieve better work-life balance in surgical practice and training
