Message

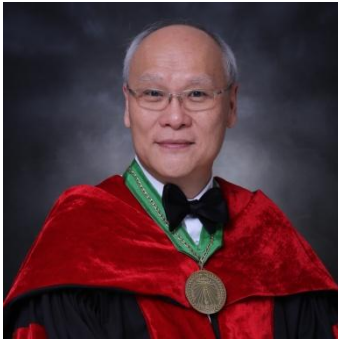

I am pleased to welcome all our fellows, delegates and guests to the 44th Midyear Convention of the Philippine College of Surgeons. The Committee on Surgical Education and the Committee on Conventions have prepared a one and a half day program "Enhancing the Culture of Safety in Surgery" on May 4 and 5, 2018 at the Vigan Convention Center. Set in the historic colonial City of Vigan, this year's convention has sessions centering on prevention of injuries during surgery, pain management, among others, together with current relevant national issues such as the Data Privacy Act and a primer on T.R.A.I.N. for doctors.

The host chapter, the Northern Luzon Chapter has made sure that all delegates and guests experience the Vigan hospitality. A day prior to the convention is the city's Tres de Mayo, a day-long celebration bound in Vigan's Spanish colonial and religious heritage. The chapter has prepared a Surgica-Mazing Race as well as a contest for photo enthusiasts. The fellowship night is bound to be a fun night to renew friendships amongst surgeons across the country.

Let us take advantage of this truly unique opportunity to experience a convention in the UNESCO World Heritage Site of Vigan.

Naragsak nga isasangbay yo ditoy Vigan.

ALEJANDRO C. DIZON, MD, FPCS
President
Philippine College of Surgeons

Message

On behalf of the Committee on Conventions of the Philippine College of Surgeons and the Organizing Committee of the Northern Luzon Chapter, I am privileged to invite you to the Vigan Convention Center, Vigan City on May 4-5, 2018 for our 44th PCS Midyear Convention. The only UNESCO World Heritage City in the Philippines, Vigan City prides itself as the cleanest, greenest and safest city in Region I.

With the objective of **"Enhancing the Culture of Safety in Surgery"**, our Committee on Continuing Surgical Education has prepared a well-balanced program focusing on patient safety in and outside of the Operating Room.

Congratulations to the PCS Northern Luzon Chapter for taking up the challenge to host our Midyear Convention this year along with a promise for a fun-filled Fellowship Night for all of us to enjoy.

See you this summer in the most extensive and only surviving historic city that dates back to the 16th century Spanish colonial period!

GEORGE G. LIM, MD

Vice President and Overall Chairman
Committee on Conventions
Philippine College of Surgeons
